Victory Online Academy (VOA) Dress Code Agreement

At Victory Online Academy, we believe student success is built through structure, respect, and readiness to learn. Even in an online learning environment, students are expected to present themselves appropriately during all live instruction and school-related interactions.

This policy supports our VICTORIOUS values:

We are a TEAM. We will WIN. We do WHATEVER IT TAKES. We have NO EXCUSES. We give 100 PERCENT EVERY DAY.

During Live Instruction & Virtual Meetings Students are required to:

- Wear a shirt with sleeves (short or long sleeve is acceptable)
- Wear clothing that is appropriate for school (no offensive language, images, or references to drugs, alcohol, or violence)
- Not wear sleepwear (including pajamas or blankets as clothing)
- Be fully dressed appropriately from a school-appropriate setting (not lying in bed during class)

Students are expected to be camera-ready when required for instruction, engagement, or accountability purposes.

During Independent Learning Time Students may dress comfortably; however, appropriate dress is still required during:

- Live check-ins
- Small group instruction
- Recorded assignments or presentations
- Any virtual meetings with staff

School Events or In-Person Activities Students must follow Victory Schools expectations for appropriate attire, including:

- Clothing that fully covers midsection, chest, and undergarments
- No excessively revealing or disruptive clothing
- Closed-toe shoes when required

Accountability If a student is not in compliance:

- Staff will address the concern privately
- The student may be asked to correct the issue before continuing instruction
- Repeated concerns will be communicated with parents/guardians

We ask families to support students in building strong routines that include getting dressed appropriately for the school day. This helps reinforce responsibility, discipline, and readiness for learning.

I acknowledge that I have read and understand the Victory Online Academy Dress Code Policy. I understand that I am responsible for supporting my student in meeting these expectations during all required school participation.
